**Speaking Tuesday Night**  
**Strange Accident With Nothing Hurt**

The speaking last Tuesday night by Messrs. J. C. Gilbert and J. C. Gilbert, candidate for District Attorney, W. R. McMillan, also a candidate for District Attorney and Judge Armstrong of Carlsbad, spokesman for Robt. C. Dow, candidate for District Attorney, was interesting indeed, and held quite a crowd until a late hour although they all spoke after the movie at the Majestic hall which was a real feature and was delayed quite a little on account of some trouble with the engine and finally ended by the engine belt breaking while Mr. Gilbert was just entering into the merits of his speech, thus cutting off the lighting system leaving the speaker and the audience in total darkness for about 5 minutes until other lights could be secured.

But we will give Mr. Gilbert credit for one thing he had the nerve to not become embarrassed or excited, but kept right on with his speech as though he had an arc light over head. And we will compliment our people also by saying that although for the moment the situation was comical, not a sound of applause save that of appreciation for what was being said was made, and as marked attention was given as though nothing had happened. After Mr. Gilbert, Mr. McGilt took the floor and from what we can learn, with his wit and humor kept the audience in a state of laughter from start to finish also giving some very pointed facts then Judge Armstrong brought forth all the good points for Mr. Dow possible which were appreciated by his many friends here, and closed the evening that was then creeping up toward the small hours of the morning. Some saying they would not have missed the evening entertainment for a five dollar bill.

**Lovington Cemetery Association**

**Geo. W. Losey, Candidate For State Senator**  
SUBJECT TO THE DEMOCRATIC VOTERS OF CHAVES COUNTY

HAGERMAN, N. M. April, 29, 1916

TO THE DEMOCRATS OF CHAVES COUNTY:

The undersigned Democrats, residents of Hagerman, take pride in presenting the name of our townsman, Geo. W. Losey, as a candidate for State Senator, and commend him to the voters in the election May 9th. Mr. Losey is a candidate only in the sense that his friends have prevailed upon him to let his name go before the primary. It is a case of the office seeking the man, but the need of the occasion warrants his friends in rallying to his support.

Mr. Losey is not new to politics. For many years he served as sheriff of his county in Nebraska. Time after time the people of his county honored him by election to office, and his public services marked by efficiency and fairness, always met the hearty approval and support of his constituents. His final political service to the people of Nebraska was in the capacity of legislator, having been elected representative in the election of 1912. And in that capacity he served the people with a degree of faithfulness that more than ever won their affection and gratitude. Immediately after the legislature adjourned he came to New Mexico. He engaged in banking, farming and breeding fine cattle, and in addition to laboring toward the development of his community, the country and the state, he is doing much in assisting others to better their condition and financial condition and financial circumstances.

Mr. Losey stands for the principles of progressive Democracy. He is opposed to every form of political bossism, and believes in the wisdom and integrity of the people and their capacity to govern themselves. He favors legislation for the common good, and is opposed to all legislation designed for the benefit of special interests. In short, he is aligned with the great common people, and his efforts and labors in the State Senate would be to design laws for the benefit of the people educationally, socially, morally and financially.

We urge every Democrat who has at heart the welfare of Chaves county and the state at large to vote for Mr. Losey for State Senator.
